 D **A**

 C
She walked out my door
 E
Then she went away
A **E**
Left my heart in two
A **E**
Left me standing here
A **H**
Singing all these blues
- A** **E** **H**
R: You left without a single ord
Not even sorry
A **E** **H**
It might of hurt worse to hear you say
I'm leaving goodbye
But your smile still makes my heart sing
Another sad song
Can't forget it, won't regret it
Cause I'm still in love with you
2. We had fun under the sun
And when winter came she'd be my angel
We were so in love
Yeah she went away
Left my heart in two
Left me standing here
Singing all these blues

R: You left without...

I don't know what hurts worse baby
Seeing you with him or being alone
On my own

I know he doesn't love you baby
Not like I did oh what's the point
You're not listening anyway

R: You left without...
