

Video Girl

Jonas Brothers

Emi

That didn't work you shoulda known better

D

It's gonna suck when the camera stops rolling

C

and you find out soon

D

that the treatment wasn't worth it

They're all the same, they all want the money

They're all insane, they live for fame, honey

They laugh at you when you're not even bein' funny

C

Well I've been

D

Here before

Emi

And I've seen

D

First hand and front row seat

This little thing they call

D

A video girl (girl, girl)

Emi

C

Video girl rocked my world

D

For a whole two seconds

And now I know

Emi

C

D

I'm not about to be another victim

Of the video girl (syndrome)

Get out of my face

Get out of my space

Get some class and kiss the past

'Cause I'm not about to be another victim

Of the video girl syndrome

Know it's bad when your mamma doesn't like her

All your friends are saying she's a liar

Never ending phone calls aren't enough

(it's not enough, it's never enough)

Move to L.A

Got no talent

Not even like you won a miss teen pageant

Daddy pays your bills but you still whine

I've been here before

And I've seen

First hand and front row seat

What happens to a man

(what happens to a man)

When he gets in the hands of a

Video girl rocked my world

For a whole two seconds

And now I know
I'm not about to be another victim
Of the video girl (syndrome)
Get out of my face
Get out of my space
Get some class and kiss the past
'Cause I'm not about to be another victim
Of the video girl syndrome

You are never gonna see me missin'
(video girl syndrome)
I'm not gonna be another victim of the video girl syndrome

Yeah Oh Woah Oh

Video girl rocked my world
For a whole two seconds
And now I know
I'm not about to be another victim
(I won't be a victim)
Of the video girl (syndrome)
Get out of my face
Get out of my space
Get some class and kiss the past
I'm not about to be another victim
Of the video girl syndrome

I won't be a victim of the video girl syndrome
