

What Do I Mean To You

Jonas Brothers

Keys to an open door
That don't need a lock
Stains on a dirty floor
You don't see a spot
What do I mean?
What do I mean to you?

Waging a war inside you
But don't see the scars
You've got the moon to guide you
Who needs the stars?
What do I mean?
Tell me, what do I mean to you?

What do I mean to you?
What do I mean to you?
What do I?..
What do I mean to you?

No need for water, Rita
You got the wine
Searching for diamonds
When I gave you the mine
What do I mean?
Tell me, what do I mean to you, to you?

I'm a believer, Jesus (hallelujah)
Show me the light
Side of the road
The Devil gave you a ride
What do I mean (what do I mean)?
Tell me, what do I mean (what do I mean) to you?

(Hallelujah)

What do I mean to you?
What do I mean to you?
What do I?..
What do I mean to you?

A child needs a mother
And you want trust but not the truth
I'm just a lover
So what do I mean to you?

What do I mean to you?
What do I mean to you?
What do I mean to you?

(Hallelujah)
