

Die For Me

Jonasu

Would you die for me?
Give your life for me?
'Cause you can't say goodbye when your look in your eyes says you lie
to me

I always saw you as forever
Said we're both stronger here together
Can't help but feel like we're fadin' away
Your look, your touch, yeah, something's different
I know you too damn well to miss it
These walls keep closin' in every day

Would you die for me?
Give your life for me?
'Cause you can't say goodbye when your look in your eyes says you lie
to me
Would you die for me?
Give up the high for me?
'Cause there's nowhere to hide when that look in your eyes says you l
ie to me

(Oh, oh, oh) Would you die for me?
Die for me
Die for me
For me, for me, for me

The truth is warm when you admit it
Our bed gets colder by the minute
No use in fightin' if you're fightin' alone
I miss us havin' the world at our feet
I can't keep tryin' to make you believe
That what we've built here could still be a home (Oh, oh, oh)

Would you die for me?
Give your life for me?
'Cause you can't say goodbye when your look in your eyes says you lie
to me
Would you die for me?
Give up the high for me?
'Cause there's nowhere to hide when that look in your eyes says you l
ie to me

(Oh, oh, oh) Would you die for me? (Would you die for me?)
Die for me (For me)
Die for me
For me, for me, for me

(Would you die for me?)
(Give your life for me?)
(Would you die for me?)
(For me, for me, for me)
