

Everywhere

Jonasu

Can you hear me callin', out your name?
You know that I'm fallin' and I don't know what to say
I speak a little louder, I'll even shout
You know that I'm proud and I can get the words out

Oh-oh, I wanna be with you everywhere
Be with you everywhere
Ohh, I wanna be with you everywhere
Be with you everywhere (everywhere)

Wanna be with you
Wanna be with you

Something's happen, happenin' to me
My friends say I'm actin' peculiarly
Come along baby, we better make a start
You better make it to be for you break my heart

Ohh, I wanna be with you everywhere
Be with you everywhere
Ohh, I wanna be with you everywhere
Be with you everywhere (everywhere)

Wanna be with you
Wanna be with you
