

Fever

Jonasu

You give me a fever
About 99 degrees
Withdraw like I need ya
Can you feel the heat
You know what I like, yeah
Everyday and night, yeah
You give me a fever

It's getting higher
This hot desire
Temperatures rising
Need you to cool me down
It's getting higher
This hot desire

Yeah, you give me
Yeah, you give me
Yeah, you give me

Yeah, you give me a fever
About 99 degrees
Withdraw like I need ya
Can you feel the heat
You know what I like
Everyday and night
You give me a fever
(You give me a fever)
Yeah, you give me a fever
