Missing Piece

Jonasu

Slow dancing to an upbeat song
Don't care if we're doing it wrong
With you, all my troubles fade

Laid out in the backseat now
Feet up, letting your hair down
With you, there are no mistakes

When I'm low, low, low
You put me back on my feet
Oh I know, know, know
That you're the one that I need
When I'm lost in my thoughts
You're my wildest of dreams
And I've found it in you
You're my missing piece

You-hoo-oo-oo
You-hoo-oo-oo
And I've found it in you
You're my missing piece
You-hoo-oo-oo
You-hoo-oo-oo
And I've found it in you
You're my missing piece

You-hoo-oo-oo
You-hoo-oo-oo
And I've found it in you
You're my missing piece
You-hoo-oo-oo
You-hoo-oo-oo
And I've found it in you
You're my missing piece

Barefoot walking in the grass
I keep tryna make you laugh
You're the better part of me

When I'm looking in your eyes
Can't feel the time fly by
I love when you're next to me

Whether rain or snow
You know I'll follow your lead
Oh I know, know, know
That you're the one that I need
When I'm lost in my thoughts
You're my wildest of dreams
And I've found it in you
You're my missing piece

You-hoo-oo-oo
You-hoo-oo-oo
And I've found it in you
You're my missing piece
You-hoo-oo-oo

You-hoo-oo-oo
And I've found it in you
You're my missing piece

You-hoo-oo-oo
You-hoo-oo-oo
And I've found it in you
You're my missing piece
You-hoo-oo-oo
You-hoo-oo-oo
And I've found it in you
You're my missing piece

You-hoo-oo-oo (You're all I need)
You-hoo-oo-oo (You're all I need)
And I've found it in you
You're my missing piece
You-hoo-oo-oo (You're all I need)
You-hoo-oo-oo (You're all I need)
And I've found it in you
You're my missing piece
