

No Regrets

Jonasu

By now we should have known better
You're moving me in different ways
Every time we do the same
'Cause never doesn't mean never
When we're standing face to face

Ooooh
But if you don't mind, then I don't mind at all
Ooooh
We can do this all the time

Let's do some things we might regret-gret
Got you in my head-head
There's no place I'd rather be with you instead
Let's do some things we might regret
Can't get you out my head-head
'Cause we connect when you look at me like that
Let's do some things we might regret

Let's do some things we might regret

By now we should have known better
But some bridges will never burn
I don't think we'll ever learn
When never doesn't mean never
Our promises are empty words

Ooooh
But if you don't mind, then I don't mind at all
Ooooh
We can do this all the time

Let's do some things we might regret-gret
Got you in my head-head
There's no place I'd rather be with you instead
Let's do some things we might regret
Can't get you out my head-head
'Cause we connect when you look at me like that
Let's do some things we might regret

(Let's do some things we might regret)

Let's do some things we might regret

Let's do some things we might regret-gret
Got you in my head-head
There's no place I'd rather be with you instead
Let's do some things we might regret
Can't get you out my head-head
'Cause we connect when you look at me like that
Let's do some things we might regret
