

True

Jonasu

It's true, it's true, it's true
That all I think about is you, is you
Stuck in my head like la-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la (La-la-la, la-la-la)

Middle of the night and I lie awake and think of you
Chemical emotions, they got me lookin' for the truth

'Cause I feel like I gotta hide
Pretend you ain't on my mind
I've felt my heart break one too many times
But I'm done with playin' it safe
Don't wanna push you away
No more late night calls, all I wanna say

It's true, it's true, it's true
That all I think about is you, is you
Stuck in my head like la-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la (La-la-la, la-la-la)
Oh, you know it's true, it's true, it's you
You're on repeat, I don't know what to do
Stuck in my head like la-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la (La-la-la, la-la-la)

(Oh) Stuck in my head like
La-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la
La-la-la-la-la-la-la
La-la-la-la-la-la-la (My head like)
La-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la (La-la-la, la-la-la)

Is it an obsession? 'Cause it's stronger every time you're gone
I wanna do this
But only if you're on it, I don't wanna be just anyone
No

'Cause I feel like I gotta hide
Pretend you ain't on my mind
I've felt my heart break one too many times
But I'm done with playin' it safe
Don't wanna push you away
No more late night calls, all I wanna say is

It's true, it's true, it's true
That all I think about is you, is you
Stuck in my head like la-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la (La-la-la, la-la-la)
Oh, you know it's true, it's true, it's you
You're on repeat, I don't know what to do
Stuck in my head like la-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la (La-la-la, la-la-la)

(Oh) Stuck in my head like
La-la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la
La-la-la-la-la-la-la

La-la-la-la-la-la (My head like)
La-la-la-la-la-la
La-la-la-la-la-la, la-la-la (La-la-la, la-la-la)
La-la-la-la-la-la, la-la-la
