Why Don't We

Jonasu

Baby, when you touch me
My one and only
Taking control

Feel it when your heart beat
Body against me
Don't let me go

I gotta know
Will you be there in the morning when it's done?
Somebody to hold
You've been searching for a place to call your own

So, why don't we fall in love?
Why don't we mess it up?
Why don't we at the party, got you on me
Dum dum dum

Why don't we lose our minds?
Why don't we waste our time?
Why don't we at the party, going crazy
Dum dum dum

Meet you on the backseat
Calling a taxi
I'm taking you home

Want you to finesse me
Baby, impress me
I'm keeping you close

I gotta know
Will you be there in the morning when it's done?
Somebody to hold
You've been searching for a place to call your own

So, why don't we fall in love?
Why don't we mess it up?
Why don't we at the party, got you on me
Dum dum dum

Why don't we lose our minds?
Why don't we waste our time?
Why don't we at the party, going crazy
Dum dum dum

Why don't we fall in love?
Why don't we?
Why don't we mess it up?
Why don't we?

Why don't we fall in love?
Why don't we?
Why don't we at the party, going crazy
Dum dum dum
