

Snake Ice

jonatan leandoer96

I'm standing on a stage (Snake Ice)
I'm standing on a stage (Baby girl)
I'm a freak, get with me
Like Al Pacino I move in heat (One, two)
Back on E, Ferrari smash, smash (Snake Ice)
I want you to die and then we splash (Baby girl)
Break the glass, take the palm tree
Slippers that, that you walk on when the sun is out

Lay me down, lay me down to sleep oh, oh
I've been down, down many weeks oh, oh
Lay me down, lay me down to sleep oh, oh
I'm on my phone I'm talking 'bout another Sunday (One, two)
I'm on my phone I'm talking 'bout another Sunday (Snake Ice)
I'm on my phone I'm talking 'bout another Sunday (Baby girl)

Back on E (Aye), Ferrari smash (Aye, smash)
I want you to die and then we splash
The rain is coming and I
You don't care about the things I say or do, but
You only care when I'm gone (Baby girl)
Why would you call on a Sunday? (On a Sunday)
You know I still go to church (Still go to church)

Lay me down, lay me down to sleep oh, oh
I've been down, down many weeks oh, oh
Lay me down, lay me down to sleep oh, oh
I'm on my phone I'm talking 'bout another Sunday (One, two)
I'm on my phone I'm talking 'bout another Sunday (Snake Ice)
I'm on my phone I'm talking 'bout another Sunday (Baby girl)

Back on E, Ferrari smash (Ha)
I want you to die and then we splash (Snake Ice)
