

## Sweet 17

jonatan leandoer96

I want to live in this moment for a lifetime  
Like I pictured it, like I pictured it  
When we were kids  
When we were kids  
They gonna walk around and bitch on it  
They gonna walk around and bitch on it  
Like when we were kids  
Walk on, let the cops go and have the mouse and they catch it

Pleasure and torture so close  
I got a place called home  
Pleasure and torture so close  
Evil and kindness so close  
I can tell which one I want  
I can tell what  
I don't want be a demon  
Can't tell what I have become  
Smoking and he was selling it  
Made many think I tried that shit  
Made many think I tried that shit

17, oh, oh, sweet 17  
17, I got a place called home  
17, 17, 17, 17, 17  
Only with you, only with you  
Demon, I don't wanna be a demon  
I don't wanna be a demon  
I don't wanna be a demon  
I don't wanna be an anything  
Uh oh sweet 17  
I don't wanna be anything (17)
