

# Fire And Rain

Jonatha Brooke

Just yesterday morning they let me know you were gone  
Susanne the plans they made put an end to you  
I walked out this morning and I wrote down this song  
I just cant remember who to send it to

Ive seen fire and Ive seen rain  
Ive seen sunny days that I thought would never end  
Ive seen lonely times when I could not find a friend  
But I always thought that Id see you again

Wont you look down upon me, jesus  
Youve got to help me make a stand  
Youve just got to see me through another day  
My bodys aching and my time is at hand  
And I wont make it any other way

Oh, Ive seen fire and Ive seen rain  
Ive seen sunny days that I thought would never end  
Ive seen lonely times when I could not find a friend  
But I always thought that Id see you again

Been walking my mind to an easy time my back turned towards the  
sun  
Lord knows when the cold wind blows itll turn your head around  
Well, theres hours of time on the telephone line to talk about  
things  
To come  
Sweet dreams and flying machines in pieces on the ground

Oh, Ive seen fire and Ive seen rain  
Ive seen sunny days that I thought would never end  
Ive seen lonely times when I could not find a friend  
But I always thought that Id see you, baby, one more time again  
, now

Thought Id see you one more time again  
Theres just a few things coming my way this time around, now  
Thought Id see you, thought Id see you fire and rain, now
