

Another Way

Jonathan Butler

It's sad
Let's sing today

Oh-Oh
Oh-Oh-Oh
Ye-Ye-Ye-Ye
A-Another
Oh-Oh-Oh (Another way)
Oh Yeah eh
Check baby, baby (Another way)
Baby

We're just going through the motions
Heaven reaching through the motion
Baby I don't believe it's too late for the two of us
That even been telling me you've got to leave
I'm telling you I won't give up

I've gotta find another way
If it takes forever at a day
Gotta find another way
Baby make you wanna stay

Ride in circles try to get you
Close to heaven
Meet all your expectations
But I guess I wasn't on the right track
Couldn't read inside your mind
Now if you showing me what I didn't see
I turned around I want your love back

I've gotta find another way
If it takes forever at the day
I've gotta find another way
Baby make you wanna stay
(Oh girl Got to find) another way
If it takes forever at a day
Gotta find (A-no-no-no-no-nother way) another way
Baby make you wanna stay

Oh Now I
(Ooh) I need you ((Ooh) in my life
(Ooh) Your love keeps me (Ooh) alive
(Ooh) I know everything will be (Ooh) alright
I want you by my side (Another way)
Nah-nah-nah-nah-nah
Oh-no-no (Another way)
Oh-no-no-no
Eh-Eh-Eh Oh-Ooh

But I guess I wasn't on the right track
Couldn't read inside your mi-mi-mi-mi-mind
If you're showing me what I didn't see
Turn around I want your love back

(I've gotta find) another way
If it takes forever at a (baby) day

Gotta find another way (yeah)
(Baby make you wanna) wanna stay (I wanna)
(A-no-no-no-ther) Another way
(A-no-no-no-ther way) forever at a day (Oh
Baby gotta find) Another way (gotta find)
(If it takes to oh) Wanna stay
(Oh My my ha baby baby baby)

I gotta show you (gotta show you)
We've got what it takes to change this (We've got what it all baby)
Together we'll make it (We'll make it we'll make it)
We are (Oh) gonna make it
(Another way Yeah Yeah Yeah) Another way

(Another way) Another way (Another way)
(Hmm Ooh Ooh Ooh Ooh Another way)
Another way
Forever at the day
