

# Breaking Away

Jonathan Butler

Chasing rainbows and running out of time  
Trying to beat the clock, I'm losing my mind  
I'm looking for a change of pace  
A little taste of the good things of life

Breaking away to the sunshine  
Away from the pressure  
Where there's room to breathe  
Breaking away to the good times  
It's the only solution  
I've got to break free

I'm closer but I still can't get it right  
I keep looking ahead, I'm losing sight  
The dream lives on inside of me  
It's so real, I do believe

Breaking away to the sunshine  
Away from the pressure  
Where there's room to breathe  
Breaking away to the good times  
It's the only solution  
I've got to break free
