

Don't Walk Away

Jonathan Butler

Losing your way and feeling it's strange
Everything but what's right occupies and weighs on your mind, yeah
Reaching for help, can't trust in yourself
Nowhere else to turn but here right now
But you are afraid

Don't say that you need Me
But you barely call My name
'Cause I'm here, I'm ready to give you the world
Just don't turn and walk away

Don't say that you love Me
When you barely call My name
'Cause I'm here, I'm ready to give you the world
Just don't turn and walk away, oh-oh

A knock on the door
One, two, three and more
How long will it take for you to hear
And answer my call?

I'm just waiting for you
You know what to do
First there's a cry then a shout, then a praise
I'll make all thigns new, yeah

Don't say that you need Me
But you barely call My name
'Cause I'm here, I'm ready to give you the world
Just don't turn and walk away, yeah

Don't say that you love Me
When you barely call My name
'Cause I'm here, I'm ready to give you the world
Just don't turn and walk away

Don't say that you need Me
But you barely call My name
'Cause I'm here, I'm ready to give you the world
Just don't turn and walk away, oh

Don't
Don't say that you love Me
When you barely call My name
'Cause I'm here, I'm ready to give you the world
Don't turn and walk away

Don't say that you love me
When you barely call my name
'Cause I'm here, I'm ready to give you the world
Just don't turn and walk away

Lord, have mercy, I say
Don't say that you love me (You love me)
When you barely call my name (You barely call me name, oh)
'Cause I'm here, I'm ready to give you the world (Yes, I am ready)
Just don't turn and walk away (Don't you turn and walk away)

Don't say that you love me
When you barely call my name
'Cause I'm here, I'm ready to give you the world
Just don't turn and walk away
