

Don't You Worry

Jonathan Butler

Don't you worry (come on, come on)
Don't you worry

Don't have to worry 'bout the clothes you wear
Don't have to fret, baby, don't despair
Don't be concerned if you lose it all
There is a reason, reason for it all, so...

Don't you worry, be still tonight
Don't you worry, it's gonna be alright

When troubles come, cast your care on him
When you are alone, he'll take you onto his own
Don't be discouraged, baby, have no fear
He won't forsake you, no, he will always be there
Come on, sing

Don't you worry, be still tonight
Don't you worry, everything's gonna be alright
Don't you worry, the battle he'll fight
Don't you worry, it's gonna be alright

When the going gets tough, don't you give up (don't you give up)
You've come too far to let go (too far to let go)
God has a plan, a plan for you
It doesn't matter what you're going through
So, so don't you worry

Don't you worry (don't, don't, don't you...)
It's gonna be alright

Don't have to worry 'bout the clothes you wear
Don't have to fret, baby, don't despair
Don't be concerned, oh no, if you lose it all
There is a reason, reason for it all, so...

Don't you worry, be still tonight
Don't you worry, keep the peace inside, baby
Don't you worry, the battle he'll fight
Don't you worry, it's gonna be alright
Don't you worry (don't you worry, baby, don't you worry)
Don't you worry (no matter, it doesn't matter what you're going through
)
Don't you worry (greater is he than to you, so...)
Don't you worry (be still tonight)

Be still tonight, keep the peace inside
The battle he'll fight, don't you worry
It's gonna be alright, alright, alright, alright
