

# He Is The Lord

Jonathan Butler

(He reigns...)

He is the Lord, our God  
And he reigns forever  
He is the Lord, our God  
And he reigns forevermore  
Sing with me:

He is the Lord, our God  
And he reigns forever  
He is the Lord, our God  
And he reigns forevermore

Nothing's too great for him  
No matter what your's might be  
He is the Lord, our God

He is the Lord, our God  
And he reigns forever  
He is the Lord, our God  
And he reigns forevermore  
Lift your voice and say:

He is the Lord, our God  
And he reigns forever  
He is the Lord, our God  
And he reigns forevermore

Nothing's too great for him  
No matter what your's might be  
He is the Lord, our God

His truth shall reign upon on the earth for eternity  
His righteousness is like the morning sun shining through  
He is Jehovah  
Jesus is King!

You are the Lord, my God  
And You reign forever  
You are the Lord, my God  
And You reign forevermore

You are the Lord, my God  
And You reign forever  
You are the Lord, my God  
And You reign forevermore

Nothing's too great for you  
No matter what I am going through  
You are the Lord  
You are the Lord  
You are the Lord, my God
