

# He Said He Would

Jonathan Butler

He said He would  
He said He would

He said He would supply your every need  
He said He would make everything alright  
According to His riches He'll provide  
He said He would  
He said He would

He said He would  
He said He would  
He said He would  
(I do believe) He said He would  
He said He would  
He said He would  
(He said He would) He said He would  
He said He would  
He said He would  
(I believe that He is) He said He would

He said He would never leave your side  
He said He would always be your guide  
He's not a man  
A man that He should lie  
He said He would  
He said He would

He said He would supply your every need  
He said He would make everything alright  
According to His promise He'll provide (Yes)  
He said He would  
He said He would

He said He would never leave your side  
He said He would always be your guide  
He's not a man  
A man that He should lie  
He said He would  
He said He would

(Uh-Oh) He said He would supply your every need  
He said He would make everything alright  
He's not a man  
A man that He should lie  
He said He would  
Oh He said He would  
Uh-Oh My God (He said He Would)  
My God is faithful

Uh-Oh He said he would  
He said He would  
He said He would  
I believe  
I believe with all my might  
But all my might (He said He would)  
He said He would  
He said He would) (Yes I do oh oh)

He said He would  
(He said He would)  
He said He would  
Wou-ou-ould
