

I Am That I Am

Jonathan Butler

I am that I am
Jehovah
God almighty
I am that I am
All power
Creator of all things
I am that I am

I am that I am
Jehovah
God almighty
I am that I am
All power
Creator of all things
I am that I am

Mountains they tremble
Oceans they roar
Trees clap their hands
As we adore

You are God
All by Yourself
There is none higher than You
You are God
All by Yourself
Sun and moon they bow to You
You are God

I am that I am
Jehovah
God almighty
I am that I am
Jehovah
Creator of all things
I am that I am

Mountains they tremble
Oceans they roar
Trees clap their hands
As we adore

You are God
All by Yourself
There is none higher than You
You are God
All by Yourself
Sun and moon they bow to You
You are God
You are God
You are God
You are God
You are God
