

Lay My Head On You

Jonathan Butler

As I lay me down to sleep tonight
Lord I pray that You would hold me tight
I've been going through some trying times
Seems like I was about to lose my mind
Lord can I lay my head on You
Lord can I lay my head on You

My only crime was happiness
I gave my heart to a kiss
Now I stand accused because of it
Lord be the judge, not my enemies
Lord can I lay my head on You
Lord can I lay my head on You

I need You so, more than You know
Without Your love, where can I go

Can I lay my head, my weary head on You
Can I lay my head, my weary head on You
I need You, I need You
I need You, I need You
