

## Love Is

**Jonathan Butler**

Love is a kiss under the mistletoe  
Your heartbeat beats so close to mine  
Love is the light that shines from within your eyes  
Tonight, your love shines so bright

Love is a kiss under the mistletoe  
Your heartbeat beats so close to mine  
Love is the light that shines from within your eyes  
Tonight, your love shines so bright

Love is a kiss under the mistletoe  
Your heartbeat beats so close to mine  
Love is the light that shines from within your eyes  
Tonight, your love shines so bright

Love is a kiss under the mistletoe  
Your heartbeat beats so close to mine  
Love is the light that shines from within your eyes  
Tonight, your love shines so bright
