

Love Songs, Candlelight & You

Jonathan Butler

Ooh, baby (ooh, baby)
Ooh, darling

In the middle of the night the doorbell rings
My baby's come to call, she wants to make love
And I don't mind at all
No, baby

'Cause nobody loves me the way she does
She's got that special touch
It's just too much, the way she makes me climb the walls
Ooh, baby

When she reaches for me
Sure ecstasy is just a kiss away
There's a passion inside, that only she satisfies
When we go all the way

So give me some love songs, candlelight and you
It's the perfect situation
Love songs (ooh)
Candlelight makes dreams come true
And all I wanna do is be with you

Ooh, baby
Ooh, darling (oh, darling)

Turn down the lights, pull the shades
Have another glass of wine
Come a little closer, 'cause you know what's on my mind
Yes, you do

Baby, whisper in my ear (I love you)
Those words of love that I love to hear
No need to worry (don't you worry)
'Cause we'll be here all night, yes we will

At your command, I'll do anything you say
When it comes to making love, we've mastered the game
And I'm ready, baby, to play

So give me some love songs (ooh)
Candlelight and you
It's the perfect situation
Love songs, candlelight makes dreams come true
And all I wanna do is be with you

So hold on tight, through the night
Let me love you over, and over, and over again

Love songs, candlelight and you (oh, baby)
What a perfect situation
Love songs, candlelight, dreams come true
(Sweet love, sweet love)
Just you and me tonight makes everything so right, baby

Love songs (touch me, baby)

Candlelight (hold me, darling)
And you (come a little closer)
Let me love you, let me love you
Let me love you again, again and again
Love songs, candlelight, dreams come true (ooh)
You are the lady of, you're the lady of my life
