

Rainbow Nation

Jonathan Butler

From the place you meet your very edge
Your thoughts held together all alone
So beautiful, so beautiful

With the world view reaching end to end
You focus on bringing it all home
So beautiful, so beautiful

We are the rainbow nation
Reflecting off the sun
Droplets of water light and love
All of us affirmation
Fountains of fire, holy survivors

Like a song that wants to save us all (Save us all)
A wall of sound racing slowing down
So beautiful, so beautiful

Let's slow it down, allow ourselves to fall
Up in life's arms we're wrapped around
So beautiful, so beautiful

We are the rainbow nation
Reflecting off the sun
Droplets of water light and love
All of us affirmation
Fountains of fire, holy survivors

Speaking our minds, spreading our stories
Seek and we shall find those allegories
Trying to fix the messes that we messed up
The haze before it clears, the salt of our tears

We are the rainbow nation
Reflecting off the sun
Droplets of water light and love
All of us affirmation
Fountains of fire, holy survivors

We're here to equalize (We're the equalizers)
Share this mission wide (Share our mission wide)
Reach and rewire (Reach and rewire)
Unleash the dividers (Unleash the dividers)

We're here to equalize (We are the equalizers)
Share the mission wide (Share our mission wide)
Reach and rewire (Reach and rewire)
Unleash the dividers

We are the rainbow nation
Reflecting off the sun
Droplets of water and love
All of us affirmation
Fountains of fire, holy survivors

We are the equalizers
Unleash the dividers
