

# Silver Rain

Jonathan Butler

Come, let yourself be  
Come see the possibilities  
Let love take over your pain  
And heal to the rhythm of the rain

Girl come and be still  
Free your mind and your body will be well  
And keep this melody  
Tucked away in your heart for you and me, yeah (Oh yeah)  
Let my love erase your pain, yeah  
Sun's gonna shine, gonna shine again  
Then we'll dance in the Silver Rain  
Oh

Can you feel it? (Come on and dance in the Silver Rain)  
It's gonna be alright  
Tomorrow you'll live your dreams in the sunlight  
Oh oh  
Can you feel it? (Reach up and touch the Silver Rain)  
Make you feel brand new  
Silver Rain is falling  
Let it get all over you  
All over you  
Oh yeah

Come, come with me  
Cast your cares and your worries to the sea  
Come lie here in my arms  
And together we'll wake up in the sun (Oh yeah)  
Consummate love can set you free  
So, take my hand and come with me  
And we'll dance in the Silver Rain

Can you feel it? (Come on and dance in the Silver Rain)  
It's gonna be alright  
Tomorrow you'll live your dreams in the sunlight  
Oh  
Can you feel it (Reach up and touch the Silver Rain)  
Make you feel brand new  
Silver Rain is falling  
Let it get all over you

Oh oh oh oh  
Yeah yeah yeah yeah yeah yeah  
Let it get all over you  
Oh oh  
Falling falling falling

Let my love erase your pain, oh oh  
Sun's gonna shine, gonna shine again  
And we'll dance in the Silver Rain  
Oh  
Can you feel it? (Come on and dance in the Silver Rain)  
Gonna be alright  
Tomorrow you'll live your dreams in the sunlight  
Oh  
Can you feel it (Reach up and touch the Silver Rain)

Make you feel brand new  
Silver Rain is falling  
Let it get all over you

Oh

(Reach up and touch the Silver Rain)  
Make you feel brand new  
Silver Rain is falling  
Let it get all over you  
Let it get all over you  
Let it get all over you  
Silver Rain, Silver Rain is falling  
Silver Rain, Silver Rain is falling  
Silver Rain, Silver Rain is falling  
We'll be dancing in the sunlight  
Dancing in the sunlight  
Dancing in the sunlight  
Dancing in the sunlight
