

# Superwoman (Where Were You When I Needed You)

Jonathan Butler

When the summer came  
You were not around  
Now the summer's gone  
And love cannot be found  
Where were you when I needed you last winter?  
My love

Baby, hold me  
Come on, come on

When the winter came  
You went further south  
Parting from love's nest  
Leaving me in doubt  
Where were you when I needed you right now, right now

Our love is at an end  
But you say now you have changed  
But tomorrow will reflect  
Love's past

Come back to me, oh baby

Our love is at an end  
But you say love has changed  
But tomorrow will reflect  
Love's past

When the winter came  
You went further south  
Parting from love's nest  
Leaving me in doubt  
Where were you when I needed you?  
Baby, where were you when I needed you?  
Where were you when I needed you, right now, right now, right now

Hey come back  
I need you to come back to me, come back to me  
I need you to come back to me, come back to me  
Ohhh  
Winter's gone, summer's gone and you're not, you're not around  
I need you, I need you

Come back to me, come back to me  
I need you to come back to me, come back to me  
Ohhh  
Winter's gone, summer's gone and you're not, you're not around  
Come back, come back to me, come back to me  
Baby, baby, baby  
Come back to me  
Come back to me, come back to me
