

# Soft Rocked By Me

Jonathan Coulton

I thought we'd start the evening off with a glass of cold rosé  
Then we can sit here on the couch just holding hands  
And I'll say that you're beautiful  
And You'll say you're moving too fast  
But I won't mind  
Because I know in time

You will be soft rocked by me  
Though it may take some time, I know eventually  
You will be soft rocked by me  
I use the passive voice to show how gentle I'll be  
When I soft rock you  
You will know it's true  
That you've never been soft rocked 'til you've been soft rocked  
by me

I'll listen to the things you say about the way you feel  
I'll smile an understanding smile when your boyfriend calls  
Then you'll go, but you'll think of me  
And one day you'll knock on my door  
'Cause you want to be  
Soft rocked by me

You will be soft rocked by me  
Though it may take some time, I know eventually  
You will be soft rocked by me  
I use the passive voice to show how gentle I'll be  
When I soft rock you  
You will know it's true  
That you've never been soft rocked 'til you've been soft rocked  
by me

Have you ever been in love with a man who's sensitive?  
Have you ever spent the night with a man who cries?  
Well that's me, I'm sensitive  
And I cry, I'm crying right now  
In a manly way  
Because I know someday

You will be soft rocked by me  
Though it may take some time, I know eventually  
You will be soft rocked by me  
I use the passive voice to show how gentle I'll be  
When I soft rock you  
You will know it's true  
That you've never been soft rocked 'til you've been soft rocked  
by me
