

Dirty

Jonathan Davis

Keep knocking
Noones there
Pouring down
Near people

I'm out here
By myself
All alone
Ready to blow my head off!
I hurt so bad inside
At least you can see
The world through my eyes
It stays the same
I just wanna laugh again

Keep hoping
Nothing to spare
So my life
Isn't quite there
Feel like a whore
A dirty whore
Such a whore
Dirty

I'm out here
By myself
All alone
Ready to blow my head off!
I hurt so bad inside
I wish you could see
The world through in my eyes
It stays the same
I just wanna laugh again

I'll die again
I'll die again
I'll wilt again
Into you
You dirty little fuck
Dirty little fuck
You dirty little fuck
Dirty little fuck

You dirty little fuck
I will take it

I hurt so bad inside
I wish you could see
The world through my eyes
It stays the same
I just wanna laugh again
