

What You Believe

Jonathan Davis

What you believe is your religion
And your entire devotion is dedicated to believing that
And there is no room for God in it
And there is no room for God in it
And there is no room for God in it
And there is no room for God in it

They're lying, this is the greatest story ever told
They're trying, to keep us away from the secrets they hold
This is disgusting, they keep the human race in check and they
do what they're told
We are realizing, there are some questions that can't be answer
ed or be told

What you believe is your religion
What you receive is what you're given
I don't need anyone from above to tell me what to do
I'm gonna do what I'm gonna do

This is disgusting, they keep the human race in check and they
do what they're told
We are realizing, there are some questions that can't be answer
ed or be told

What you believe is your religion
What you receive is what you're given
I don't need anyone from above to tell me what to do
I'm gonna do what I'm gonna do

What is it that you can't find
Feeling emptiness inside
Going on addressing something
That you see that I could hide

What is that you can't find
Feeling emptiness inside
Going on addressing something
That you say that I would hide

What you believe is your religion
What you receive is what you're given
I don't need anyone from above to tell me what to do
I'm gonna do what I'm gonna do

What you believe is your religion
What you receive is what you're given
I don't need anyone from above to tell me what to do
I'm gonna do what I'm gonna do
