Sometimes

Jonathan Edwards

Mmm mmm

Sometimes in the mornin'
I catch a fallin' dream
Disappearin' scene
And I think about a someone
That I will never see again
And now it's only me again

Oh no no no no oh no ohhhh...

And sometimes in the mornin'
Oh, I think I hear a phrase
Echo through the haze
And it's just beyond my vision
Something that she said one night
Before we went to bed one night

Umm hmm hum

And sometimes in the mornin'
When I go back to sleep
Tryin' hard to keep
All my memories in motion
Wishin' she were near
My love
Whisperin' in my ear
My love
