

## Sugar Babe

Jonathan Edwards

Sugar Daddy says, "Have your fun, Sugar Baby"  
Sugar Daddy says, "Have your fun, Lord  
Run like a woman when the ponies come  
My Sugar Baby, oh my gal, Sugar Baby"

I got drunk and I fell on the floor, Sugar Baby  
Got drunk and I fell on the floor, Lord  
That's good corn whiskey, mama, can I have some more?  
My Sugar Baby, oh my good gal, baby

Shoot your dice and roll 'em in the sand, Sugar Babe  
Shoot your dice and roll 'em in the sand, Lord  
I ain't gonna live, mama, for no damn man, hell no  
Sugar Babe, oh my gal, Sugar Baby

Put you hand on your hip and let your mind roll by, Sugar Babe  
Put you hand on your hip and let your mind roll by  
Your body should know, mama, when you go to die  
My Sugar Baby oh my gal, Sugar Baby
