

Green Green Dress

Jonathan Larson

JONATHAN:

Deep dark velvet

Hugs your silhouette

Black silk stockings,

You're my Juliet

Soft blond hair baby,

Baby blue eyes

Cool me down

Before I jump into your thighs

The green green dress,

Twenty buttons and a strap

The green green dress,

What a pleasure to unwrap

Green dress,

Oh what it can do

What the green green dress

Does to me on you

Me on you

SUSAN:

Let's find a chair

Where we can sit and talk

Or get some fresh air,

Maybe we could take a walk

Tell me what you're thinkin',

Talk about your day

Tell me what to do,

I'll do anything you say

JONATHAN AND SUSAN:

The green green dress,

Twenty buttons and a strap

The green green dress,

JONATHAN

What a pleasure to unwrap

BOTH

Green dress,

Oh what it can do

What the green green dress

JONATHAN

Does to me on you

Me on you

SUSAN:

Can I hear you laugh, babe?

Can you make me smile?

I'll forget what's on my mind

For a while

JONATHAN:

Can I tie you up love?

If you tell me yes

I'll unbutton every button

Down your green green dress - ow!

JONATHAN AND SUSAN:

The green green dress,

Twenty buttons and a strap

The green green dress,

What a pleasure to unwrap

Green dress,

Oh what it can do

What the green green dress

JONATHAN

Does to me on you

Me on you

JONATHAN SUSAN

Me on the green green dress Green green dress

Me on you
