

# Over The Moon

Jonathan Larson

Maureen

Last night, I had a dream

I found myself in a desert called Cyberland

It was hot

My canteen had sprung a leak and I was thirsty

Out of the obice walked a cow, Elsey

I asked if she had anything to drink she said

"I am forbidden to produce milk,

In Cyberland we only drink Diet Coke (Diet coke...Diet  
coke...Diet coke)

She said

"Only thing to do is just over the moon"

They've closed everything real down

Like barns and troths and...

Performance Spaces

And replaced it all with lies and rules and

Virtual Life... But there is a way out

Back Ups

Leap of faith, leap of faith, leap of faith, leap of  
faith

Maureen

OOOOOOO

Only thing to do is jump over the moon

I gotta get outta here

It's like i'm being tied to the hood of

a yellow rental truck being packed in with fertilizer

and fuel oil pushed over a cliff by a suicidal mickey

mouse

I gotta gotta gotta gotta gotta gotta gotta gotta  
gotta gotta gotta gotta gotta gotta gotta gotta  
find a way...

to jump over the moon

Only thing to do is jump over the moon

Then a little bulldog entered

His name we have learned was Benny

And although he once had principles he abounded them to  
live as a lapdog to a wealthy daughter of the  
revolution

1..2..3

That's bull he said

Ever since the cat took off with the fiddle that cows  
been jumpy

And the dish and the spoon were evicted from the table  
and eloped

She had trouble with the milk and that moon ever since  
maybe it was a female thing

But who'd wanna leave cyberland anyways!

Walls ain't so bad

The dish and the spoon for instance their down on their  
luck they come knockin' on my doghouse door  
and i said "Not in my backward utensils, go back to  
china!" (bideebong)

The only way out is up, Elsey whispered to me

A leap of faith

Still Thirsty?? Parched

Have some milk

As I lowered myself beneath her her swollen utter and  
sucked the sweetest milk

I have ever tasted!

Climb on board she said and as a harvest moon rose over

Cyberland we reared back we sprang into a  
gallop leaping out of orbit i awoke singing

OOOOOO

Only thing to do

Only think to do is jump

Only thing to do is jump Over the moon

Only thing to do is jump Over the moon

Over the moon

Over the ...

Moon!
