

Take Me Or Leave Me

Jonathan Larson

maureen:

every single day,
i walk down the street
i hear people say 'baby so sweet'
ever since puberty
everybody stares at me
boys girls i can't help it baby
so be kind and don't lose your mind
just remember that i'm your baby

take me for what i am
who i was ment to be
and if you give a damn
take me baby
or leave me

take me or leave me

Maureen:

a tiger in a cage
can never see the sun
this diva needs her stage baby
lets have fun
you are the one i choose
folks will kill to fill your shoes
you love the lime light to now baby
so be mine but don't waste my time
cryin' 'honey bear are you still my, my, my baby?'

take me for what i am
who i was ment to be

and if you give a damn

take me baby or leave me

no way, can i be what i'm not

but hey, don't you want your girl hot?

oh, don't fight, don't loose your head

'cause every night who's in your bed?

who?

who's in your bed?

spoken:kiss pookie

Joanne:

it won't work

i look before i leap

i love margins and discipline

i make list in my sleep baby

whats my sin?

never quit

i follow through

i hate mess but i love you

what do with my improptu baby?

so be wise 'cause this girl satisfies

you got a prize but don't compomise

your one lucky baby

joanne: take me for what i am

maureen: a control freak

joanne: who i was ment to be

maureen: a snob yet over attentive

joanne: and if you give a damn

maureen: a loveable droll geek

joanne: take me baby or leave me

maureen: a anal retentave

both: thats it

joanne: the straw that breaks my back

both: i quit

joanne: unless you take it back

maureen: women what is it about them?

both: can't live with them or without them

chorus:

both: take me for what i am

joanne: who i was ment to be

maureen: who i was ment to be

and if you give a damn

joanne: and if you give a damn then

take me baby, or leave me

maureen:take me baby, take me or la-la-la-la-la-leave

me

both: take me baby or leave me

spoken: guess i'm leaving i'm gone!
