

Better

Jonathan McReynolds

There's a misconception
That temptation won't affect us
At all, at all, at all
But just like anyone else
If I let it get my heart
I'll fall, I'll fall, I'll fall

And I can't act like I don't know how
Yeah, I beat myself up about it now

But tomorrow I'll just do
Better, better, better
Better, better, better
And keep on moving
Closer, closer, closer
You know that all is forgiven
Because He'll help you to do better

Yeah, see we all have fallen
But you can't stay on the ground
For long, for long, for long
'Cause after awhile
You'll start thinking that recovery's not an option
And you're wrong, you're wrong, so wrong

Yeah, and you can't undo what you did now
So take the clean slate that grace allows

And tomorrow just do
Better, better, better
Better, better, better
Keep on moving closer, closer, closer, yeah
You know that all is forgiven
Because He'll help you to do better

I will do better
It won't hurt to be a little stronger
Long as we're together
After awhile I'll notice something different
And it started when I decided to do better

So tomorrow I'll just do
Better, better, better
Tomorrow I'll just do
Better, better, better
Keep on moving closer, closer, closer, yeah
You know that all is forgiven
Because He'll help You to do...

Better, better, better
So tomorrow I'll just do
Better, better, better
And keep on moving
Closer, closer, closer, oh yeah
You know that all is forgiven
Because He'll help You to do better
