

# Everlasting

Jonathan McReynolds

God yes You did, You gave it  
Yes You did, You gave it  
Yes You did, You shared it  
Yes You did, You gave it

Everywhere I go  
And everywhere I've been  
They ask about the power  
I've been walking  
And what is being safe now  
And why I'm not afraid  
And why my mind is made up  
And why it just won't change

Oh, 'cause You did, You gave it  
Your everlasting light  
Oh, You gave to me  
Your everlasting light  
Oh, way back then You started me  
Your everlasting light  
Yes, You did You gave it

Your strength in my weakness  
Banner in the war  
Anchor in the ocean  
Shelter in the storm  
Lord, You justify me  
And You call me friend  
You wrote me in your story  
The one that never ends  
Yes, You did

You gave it  
Your everlasting light  
Yes You did, You gave it  
Your everlasting light  
Oh yes You did, You thought of me, yeah  
Your everlasting light  
I'm so glad that You shared it, yeah  
Your everlasting light

And we keep going as I think of the love, the sacrifice, and the victory You  
gave  
Your everlasting light  
Hey, I'm so glad You thought of me when  
Your everlasting light  
Not a mumbling word when You stood up there for me, yeah  
Your everlasting light  
Yes, You did, You did

Hallelujah  
Hallelujah  
Hallelujah  
And You did, You gave it  
Your everlasting light  
Hallelujah  
Hallelujah

You deserve it, you deserve it, God  
Hallelujah  
And You did, You gave  
Your everlasting light  
Hallelujah  
Hallelujah  
Hallelujah  
Your everlasting light

Yes You did, You gave it  
Your everlasting light  
You gave it  
Your everlasting light  
Your everlasting light  
Your everlasting light
