

Glory Up

Jonathan McReynolds

Listen the Bible declares in Romans 11
That from Him, through Him and for Him are all things
And to Him be the glory forever.

In the age of the celebrity and the superstar is not hard to see
e yeah
All the world's attention and the world's praise is in the wrong
direction as we elevate
The talent of the artist and the basketball player and refuse to
acknowledge the God that gave us
all the gifts and the ribs and the runs and the hops and the taps
and the screw if we forgot.

Just sing glory up
And I really wanted to make this clear
Sing glory up
Cause it don't belong to nobody down here
Sing glory up
In the midst of praises, he's always near...
Sing glory up
Past the ceiling, unto the heavens...
To God.

I hope you know we here for a purpose despite what the world says,
is more beyond the surface
And somethings are more important
Don't neglect to give honour to the one that deserves it
I kept track of who has been on my time, on the phone or online
God whose is no time.
No have lost my mind
Ladies better be wise

Just sing glory up
And I really wanted to make this clear
Sing glory up
Cause it don't belong to nobody down here
Sing glory up
In the midst of praises, he's always near...
Sing glory up
Past the ceiling, unto the heavens...
To God.

Not me, not you, not him, not her but who
God gives the glory
In all you do, please make sure to
Give God the glory
