

Maintain Flow

Jonathan McReynolds

Listen

Here's a thing that happens with Christians
The devil really can't do too much directly to us
But he can cause a storm around us
And we have to understand
That sometimes we can't control what's going on
On the outside
But Lord help me control what's going on
On the inside
Is that anybody's prayer life?
God just help me maintain
Come on, help me maintain
Just somebody say, "help me, maintain"
Gone are the days where Sunday church service
Serves as a drug for you
I don't want to go to church just to
Fill up on some shouting
To fill up on some good word that you forget before you leave
But somebody's got to pray,
"Lord don't let this be a one time thing.
I don't want to be empty by Wednesday.
Help me maintain"
Come on somebody lift up your hands and ask God
"Help me maintain"

I need you all week long
I need you all week long Jesus
Just help me maintain
Help me maintain
(Can y'all just say that)
Help me maintain say, (help me maintain)
Help me maintain (help me maintain)
Help me maintain (help me maintain)
Help me maintain (help me maintain)
Help me maintain and (help me maintain)
Help me maintain (help me maintain)

(Ma, you know this song.
I don't even know if I know it)
When peace like a river, attendeth my way
When sorrows, like sea billows roll
Whatever my lot, thou hast taught me to say
It is well, it is well
With my soul

It is well (it is well)
With my soul (with my soul)
It is well, if you would only, help me
Help me maintain

Help me maintain
It will all be well if you God, just help me maintain
I don't have to be afraid, God if you just, (help me maintain)
Oh I can walk through the valley of the shadow of death
Just help me maintain
No unclean thing will kill me, just help me maintain
No environment, will kill me, just help me maintain

I can sing on Stellers
I can sing on MTV
I can sing on The Voice
I can sing on BET
It really doesn't matter where I am
It just matters who would be there
So God help me maintain
Help me maintain

(Come on lift it up one time)
Help me.. (help me maintain)
Help me main.. (help me maintain)
Oo help me maintain and (help me maintain)
(Help me maintain)
Help me main.. (help me maintain)
Help me maintain (help me maintain)

Help me, be me
And only, see you
Oh let me, decrease
And glory, glorify you

Ohh help me, be me
And only, see you
Ohh let me, oh decrease
And glory, glorify you

(If that's your prayer, come on and sing it)
Sing help me say (help me) (come on)
Yeah be me (be me)
And only, (and only) (come on)
See you, (see you)
Sing let me (let me)
Ohh decrease (decrease)
Yeah and glorify (and glorify you)
Oh glorify you

See I just want to live
I just want to live for you
Nobody else but you

(Come on lift it up sing)
Sing I just want (I just want to live)
Sing I just want to live (I just want to live for you)
Oh for you yeah (nobody else but you)

(Come one lift it up sing)
I just want to live (I just want to live)
I just want to live (I just want to live)
Oh for you (nobody else but you)

(Come on)
Sing I just want to live (I just want to live)
No one else's, (I just want to live)
Opinion matters (for you)
(Nobody else but you)

Oh Jesus take from me
All the pressure, pressure, pressure
To be someone that, the world has made
Jesus take from me
All of the pressure, pressure, pressure
To be someone that, you did not create
