

# Miracle

Jonathan McReynolds

What's the use of the sun  
If the earth can't feel the glow?  
If it couldn't make flowers grow?  
It wouldn't be a wonder  
It wouldn't be a miracle  
And what's the use of the sea  
If the waters didn't flow?  
If it hid all of its life?  
It wouldn't be a miracle

I look right at you  
Let me tell you what you are

You're a miracle  
You're a miracle

Look what the Lord has done  
Look what the Lord has done  
Y'all, look what the Lord has done  
Ooh

Hey, what's the use of that voice  
If the world can't hear your song?  
If your mouth is always closed  
You'll never be a wonder  
You'll never be a miracle  
And what's the use of that life  
If no one sees you love?  
You'll just be a bag of blood and bone  
And you'll never see a miracle  
Tonight

Oh, I'm looking right at you  
Let me tell you why you are

You're a miracle  
Mmh, you're a miracle

Look what the Lord has done  
Look what the Lord has done  
Look what the Lord has done  
Look what the Lord has done

You're a miracle  
Yeah, you're a miracle

Oh, look what the Lord has done  
Look what the Lord has done  
Look what the Lord has done  
Look what the Lord has done

Look  
Look  
Take a minute and  
Take a minute and look  
Take a minute and look, be grateful  
Look

Look

I look right at you  
Let me tell you what you are

Beautiful, beautiful

Look what the Lord has done  
Look what the Lord has done  
Look what the Lord has done  
Hey, look what the Lord has done  
Yeah, so look what the Lord has done  
Look what the Lord has done  
Look what the Lord has done
