

No Longer

Jonathan McReynolds

Oops here we go round and round in circles
Stay tuned for the sequel
Every time I think I'm straight
I make that one mistake that sends me on my way
So I stand right here right now in the best way that I know how to say, "God
please help me out"
And I hope it's not a riddle
All things are possible
With God it's just that simple

No longer, (will I let the world influence me)
No longer (will the devil have control of me)
No longer, (will let my flesh keep me weak)
Cuz I'm Yours God
And I'm turning the page of my life

Tired off just trying
Tried of the crying
While my soul is dying
And staying up all late at night
Knowing something just ain't right
And my life ain't that type
See, God has given me the audacity to declare my victory over satan
And we know that he can't win so now begins the end of the tale of me and hi
m

No longer, (will anyone make me lose my sleep)
No longer, (will I stress, or fret, or fuss, or worry)
No longer, (will I let the situation change me)
I'm Yours God
And I'm turning the page of my life

See I realized that God wanted my love so bad that He kept on blessing me th
ough I did not deserve it
He had a plan for me that I'm still trying to see
Life is better when you rest assured that God has your best
And the more I know Him
The more I love Him
And the more I want to hear Him say, "Son well done"
Tired of the drama anyway
Bad new creature, brand new day
All old things are passed away

No longer, (will I let the world influence me)
No longer (will ole satan have control of me)
No longer, (will let my flesh keep me weak)
I'm Yours God
And I'm turning the page of my life
No longer
No longer
No longer
I'm happy with my new life in Christ (I'm Yours God)
And I'm turning the page in my life
