

Smile

Jonathan McReynolds

Yeah, yeah, yeah, yeah

Just smile
Just smile

Life doesn't always give you much reason to smile
And though life sometimes has an attitude
I won't change mine

And all the love You've given
And all the ways You've made
The fact that I'm still living
How dare I wear a frown on my face

I can't help but smile
Cause I realize what You've done for me
All those battles You've won for me
And that someday soon You will come for me

I can't help but sing
Cause you already gave me the victory
And no pain, and no hurt and no misery
Can take away my smile
(Yeah, yeah, yeah)

Funny how people always have something to say
But I find peace in knowing that You love me anyway
And no matter how I'm feeling (ooh)
You will never change
(No)

It ain't always easy living
But now that I have a choice today

I can't help but smile
'Cause I realize what You've done for me
All those battles You've won for me
And that someday soon You will come for me

I can't help but sing
'Cause you already gave me the victory
And no pain, and no hurt and no misery
Can take away my smile

Yeah, yeah, yeah
Yeah, yeah, yeah

If the Lord's made a way
For you to see another day
Just smile
Regardless of what they
What the others have to say
Just smile

Take the good and be grateful
Know the bad will be handled
And smile

It will all be okay
Take the worry off your face
Cause you'll look better anyway
Give it to God
And just smile

'Cause I realize what You've done for me
All the battles You've won for me
And that someday soon You will come for me

I can't help but sing
'Cause you already gave me the victory
And no pain, and no hurt and no misery
Can take away my smile

Yeah, yeah, yeah
Yeah, yeah, yeah

The world didn't give it
The world can't take it away
Yeah the world doesn't get it
But the world's gonna see it today
