

# The Way That You Love Me

Jonathan McReynolds

I've seen rain, its been dark  
I've felt pain, got these scars  
Sometimes, it's all I can remember  
Where's the sun, give me light  
Got to be more to this life  
Can't lie, its been colder than December

But when it comes to survival  
There's only one friend that I know  
I can truly depend on, I know

The way that you love me  
The way that you love me  
Is everything I need  
Don't ever let me go  
The way that you told me  
You would always be  
Everything I need  
Don't ever let me go

Don't ever let me go  
Don't ever, don't ever  
Don't ever let me go  
Don't ever, don't ever  
The way that you love me  
Don't ever let me go

Second verse  
Bound to break, lose my mind  
Want to scream, want to cry  
Help me Father  
Said I need you now more than ever, yeah  
I'm contemplating, turning back  
I feel like saying, it's a wrap  
But I can't handle all of that  
I surrender

When it comes to survival  
There's only one friend that I know  
I can truly depend on, I know

The way that you love me  
The way that you love me  
Is everything I need  
Don't ever let me go  
The way that you told me  
You would always be  
Everything I need  
Don't ever let me go

Don't ever let me go  
Don't ever, don't ever  
Don't ever let me go  
Don't ever, don't ever  
The way that you love me  
Don't ever let me go

See if you've been through what I've been through  
You know exactly what God can do  
See that's the reason I sing this tune  
Don't ever let me go  
If you've been through what I've been through  
You know exactly what God can do  
That's the reason I sing this tune  
Don't ever let me go

Don't ever let me go...

The way that you love me  
The way that you love me  
Is everything I need  
Don't ever let me go  
The way that you told me  
That you would always be  
Absolutely everything I need  
Don't ever let me go

Don't ever let me go  
Don't ever let me go  
The way that you love me  
Don't ever let me go
