

Amazing Love

Jonathan Nelson

Your amazing love
Your amazing love
You have offered me your heart
Your amazing love
I receive it now
Your amazing love toward me

From start to finish
From the dawn of time
You have poured your love on me
What you gave the world
None can compare
I am loved eternally

Your amazing love
Your amazing love
You have offered me your heart
Your amazing love
I receive it now
Your amazing love toward me

(Your love) Your love is what we need Jesus
(Your love) Whoa, whoa
(Your love) And I receive it now
(I receive your love) If his love is what you need, raise your hand and cry out
(Your love) When I don't have words to say I cry out oh, oh, oh
(Your amazing love toward me)
Somebody cry out to Jesus say
(Your love) God we need you Lord
(Your love) We really need you Lord
(Your love)
(I receive your love) Somebody lift up your hands and receive God's love
(Your love) Your love is what we need
(Your love) You're amazing
Your amazing love toward me
Hear our hearts cry out
(Your love) Oh
(Your love) Jesus
(Your love) Hear our hearts cry tonight Lord
(I receive your love)
This is what we desire from your presence
(Your love) We need it, we need it, we need your love
(Your love)
(Your amazing love towards me)
Everybody can you just lift up your hands and just cry out all to Jesus, say
(Your love) Somebody cry out
(Your love) Somebody cry out
(Your love) I don't deserve it but I receive it Jesus
(I receive your love)
(Your love, your love)
Your amazing love towards me

Your amazing love
Your amazing love
You have offered me your heart
Your amazing love

I receive it now
Your amazing love toward me
