

Because You Are (Reprise)

Jonathan Nelson

(Because you are I am) A better man
Took it to the bank, y'all
Don't have to worry, yeah
You never let me down, never let me down
And He never will, said never will

(I am, I am because of who You are)
(Who You are, I am, I am because, because You are)
(Because You are)
(Because You are) You are, You are, You are
(Because You are) You are, You are, You are
(Because You are) You are, You are, You are
(Because You are) You are, You are, You are
(Because You are) You are, You are
(Because You are)
(Because You are, You are)
