Jesus came in and made a change  
A brighter future now is on the way  
He erased everything in my life that was owed  
And now I'm encouraged  
And feel this [?]  
He made all things  
(Brand new)  
Oh, lalalalalalala, oh  
(Brand new)  
There's no doubt in my mind  
That he made all things  
(Brand new)  
I'm so glad that he made all things, yeah  
(All brand new)  
Whoa, ooh, oh, hi  
He made  
(Brand new)  
Everything in my life  
He changed and he made  
(Brand new)

Everything in my life  
That was all, he made  
It brand new

(He changed my voice)  
Anybody in here can say that  
(He changed my tone)  
With [what wash?]  
(I hear the voice)  
I lifted my hands and then  
I knew he changed  
(He changed my thoughts)  
Ooh, yeah  
(He changed my thoughts)  
With wash  
(I feel the tholove)  
Whoa

Anybody glad that he made a change in your life  
Brand new
