

# Everything You Are

Jonathan Nelson

Whoa Jesus  
Whoa Jesus  
Whoa Jesus  
Whoa Jesus

Somebody cry out  
Whoa Jesus  
Just say his name tonight  
Whoa Jesus  
Somebody call his name  
Whoa Jesus  
Somebody call his name  
Whoa Jesus  
Just lift up your hands and call him  
Whoa Jesus  
Somebody call his name  
Whoa Jesus  
Say the name of Jesus  
Whoa Jesus  
Say his name  
Whoa Jesus

Jesus, Jesus  
Everything you are  
Jesus, everything you are  
Somebody just say that in the atmosphere  
Just say it  
Jesus, everything you are  
Oh, oh  
Everything you are

You're my sun, my moon, my stars  
Everything you are  
Lord I praise you  
I celebrate you for just being God  
You're my air  
You're my trees  
The very breath I breathe  
Lord I praise you  
I celebrate you for just being God

Whoa Jesus  
Whoa Jesus  
Somebody call his name  
Whoa Jesus  
Somebody call his name tonight  
Whoa Jesus  
Say Jesus, say it

Jesus, everything you are  
Somebody lift him in the building  
Jesus, everything you are  
Just lift your hands and declare it saying  
Jesus, everything you are  
Oh, oh everything you are  
If you know he's your everything  
All the worshippers just lift your hands

And begin to say something to Jesus in the building tonight  
Everybody say it  
Somebody lift your voice tonight

We give you glory Jesus  
We give you honour tonight Jesus  
It's all because of you  
I am because of you

I am because of you  
You made me in your image Lord  
I am because of you  
You created me to worship you  
I am because of you  
I am, I am, I am  
I am because of you  
It's all about you Jesus  
I am because of you  
It's all about you Jesus  
I am because of you  
It's all about you Jesus  
I am because of you  
It's all about you Jesus  
I am because of you  
Somebody lift your voice and say  
I am because of you  
You made me in your image Jesus  
I am because of you  
That's why I lift my voice and say  
I am because of you  
Lift your voice and say I am  
I am because of you  
That's why I lift my hands and worship  
I am because of you  
That's what you created me to do Jesus  
I am because of you  
To give you glory, honour  
I am because of you  
Yes that's what you deserve  
I am because of you  
I am because of you

Somebody declare his name  
Oh, oh  
Say Jesus

Jesus  
Everything you are  
Everything you are  
Just fill the room and say  
Jesus  
Everything you are  
Everything you are (oh, oh)  
Somebody say his name  
Jesus  
Everything you are  
Everything you are  
Everything you are  
Oh, oh, oh, oh

Let's just lift up our hands  
All the worshippers in the building
