

Flow

Jonathan Nelson

There's a river that flows from heaven to earth
It's inside of you
It's inside of me.

Flow river flow
Flow river flow
Flow river flow

There's a river that flows from heaven to earth
It's inside of you
It's inside of me.

Flow river flow
Flow river flow
Flow river flow

There's a river that flows from heaven to earth
It's inside of you
It's inside of me.
