

Jesus I Love You

Jonathan Nelson

Now can you just offer some words of worship out there?
Come on, everybody, just raise your worship, come on
Come on, just a little bit louder, raise your worship

Millions of words can't describe
The feeling I have down inside
(It's hard to contain) It's hard to contain it
(So I'll simply say) So I'll simply say
Jesus I love, I love You

I know that was like a practice round
But can y'all try to catch it and sing along with us?
Come on, help me say millions here

Millions of words can't describe
The feeling I have down inside
(It's hard to contain) It's hard to contain at church
(So I'll simply say) So I release my words and simply say
Jesus, help me say it, I love, I love You

Because You first loved me say it
(Because You first loved me) I'm returning my love unto You
(I'm returning my love back to You)
This is my offering (This is my offering)
I'm returning my love back to You (I'm returning my love back to You)

There is no other love (There is no other love)
Take all (No other love quite like Yours) There's no other love quite like Y
ours
So you know this one, help me say it
Jesus, come on, say it, I love, I love You

Because You first loved me say it
(Because You first loved me) I'm returning my love
(I'm returning my love back to You)
This is my offering, God (This is my offering)
I'm returning my love back to You (I'm returning my love back to You)

There is no other, no other love, quite like yours, Jesus (There is no other
love)
No love quite like yours (No other love quite like Yours)
Everybody, raise your voices, say it
(Jesus) I love (I love) Come on, say it again
Jesus (Jesus) Anybody really love Him
(I love) Come on, release it, say
(Jesus) I love (I love) Tell 'em, tell 'em
I love You

Now can you just tell 'em how much you love Him in this room?
Just lift your voice and tell Him, I love You
Because You first loved me, I love You
Just catch it and sing it, I love You
(I love You) I love You, Jesus
(I love You) I love You, Lord
(I love You, I love You) That's all you gotta say
Everybody, lift your head
(I love You, I love You) With all of my heart

With all of my mind (I love You, I love You)

Can you just catch it and sing it? At the end let me hear you say
(I love You) More than anything
(I love You) Because You first loved me, Jesus
(I love You, I love You)

Everybody, lift your voice and say
(I love You) Lord, I love You
(I love You) I really do love You
(I love You, I love You)

Everybody, you know this much
Jesus (Jesus) I love (I love) You more than anything
(Jesus) I love You, Jesus (I love) You're my Savior
(Jesus) You never let me down, Lord
(I love) You rescue me
(Jesus) I love You, I love You, I love You, I love You (I love)
One more time, say it
Jesus, sing it, church, I love, I love You

Hey
Can y'all just say, Jesus? Church, say it
(Jesus) I love (I love) More than anything, say it
(Jesus) I love You, Jesus (I love) Sing it from your heart, say it
(Jesus) Yes, I do, Lord (I love) Love (You)
