

# Our God (Medley)

Jonathan Nelson

Somebody, give Jesus a shout this morning  
Come on, I can't hear you, somebody, give Jesus a shout

Water You turned into wine, hey  
Opened the eyes of the blind, hey  
There's no one like You, I can't hear You, church  
None like You (I need thirty more people to help me say, "Into the darkness,  
" say)  
Into the darkness, You shine, yeah, come on  
Out of the ashes, we rise  
There's no one like You  
Sing it a little bit louder, say it  
There's none like You  
You need to get some praising space  
"Our God is greater," say

Our God is greater (Stronger)  
Our God is stronger (God, You are higher)  
God, You are higher than any other (Our God is healer)  
Our God is healer (Awesome in power)  
Awesome in power, our God (Our God)  
Our God ("Our God is greater," say)  
Our God is greater (Stronger)  
Our God is stronger (God, You are higher)  
God, You are higher than any other (Our God is healer)  
Our God is healer (Awesome in power)  
Awesome in power, our God (Our God)  
Our God (And if our God is for us)

And if our God is for us (Then who?)  
Then who could ever stop us? (And if our God is with us)  
And if our God is with us (What can stand?)  
Then what can stand against? (And if our God is for us)  
And if our God is for us (Then who?)  
Then who could ever stop us? (And if our God is with us)  
And if our God is with us (What can stand?)  
Then what can stand against? (And if our God)  
And if our God is for us (Then who?)  
Then who could ever stop us? (And if our God is with us)  
And if our God is with us (Then what can stand?)  
Then what can stand against? (And if our God is for us)  
And if our God is for us (Then who?)  
Then who could ever stop us? (And if our God is with us)  
And if our God is with us (What can stand?)  
Then what can stand against? (I can't hear your praise enough, lift your voice and say, "What can stand?")  
What can stand against? (Come on, everybody, raise your voice, what can stand?)  
What can stand against? (I need everybody to raise a worship higher, everybody, put your hands on it, everybody, clap-clap, let's go, hey)

Come on, church, take your praise just a little bit higher  
Can we do it the basic way?  
Everybody, help me say it

There's no god like Jehov..., hey  
There's no god like Jehovah

There's no god like Jehovah  
There's no god like Jehovah (Come on, y'all, help me say it, this one)  
There's no god like Jehovah (No god)

There's no god like Jehovah (There's no god like)  
There's no god like Jehovah (There's no god like)  
There's no god like Jehovah (There's no god like)  
There's no god like Jehovah (There's no god like)  
There's no god like Jehovah (There's no god like)  
There's no god like Jehovah (There's no god like)  
There's no god like Jehovah (There's no god like, hey)  
There's no god like Jehovah (There's no god like)  
There's no god like Jehovah (Somebody ought to break free and give Jesus a shout)

I need you to break free this morning  
Somebody, lift your voice and give Him praise

How great is our God  
Sing with me, how great is our God (Y'all sound mighty good to me)  
And all will see how great  
How great (Now get some praising space, everybody, clap your hands, yeah, this is time I need you to say it a little bit louder, You're the name)

You're the name above all names (You are worthy, yeah)  
You are worthy of our praise (And my heart will)  
And my heart will sing how great is God

Now, everybody, get your praise on  
Everybody, get your praise on this morning  
One more time, "You're the name"

You're the name above, woah, somebody ought to sing it  
You are worthy of our praise (And my heart will)  
And my heart will sing how great (Let's go, let's go, "He really is a great God")

He really is a great God (Ayy)  
He really is a great God (Everybody, lift it up, say)  
He really is a great God, He really is a great God (Everybody, lift it up, say)  
He really is a great God, He really is a great God (Everybody, lift it up, say)  
He really is a great God, He really is a great God (Just one more time, hey)

You're the name above all names (He really is, y'all)  
You are worthy of our praise (And my heart will)  
And my heart will sing (Y'all ready?)  
"How great" (Let's go, let's go)
