

Right Place

Jonathan Nelson

You're in the right place at the right time
To receive a blessing from the Lord
You're in the right place at the right time
Where Jesus is, Heaven's there

Oh you're in the right place
You're in the right place
To receive a blessing from the Lord
Yes, you're in the right place
You're in the right place
To receive a blessing from the Lord

You're in the right place
You're in the right place
To receive a blessing from the Lord
Yes, you're in the right place
You're in the right place
To receive a blessing from the Lord

Ain't nothing stopping you from receiving it
Ain't nothing stopping you from receiving it
The time is now

Ain't nothing stopping you from receiving it
Ain't nothing stopping you from receiving it
The time is now

Ain't nothing stopping you from receiving it
Ain't nothing stopping you
Receive a blessing from the Lord
